Our Middle School Teacher of the Year is Mrs. Angela O'Brien - Grade 8 Math and Algebra 1. Congratulations on this tremendous accomplishment!!!

Junior Aviator Parents & Guardians,

Report Cards for MP 3 will be available this afternoon on Genesis. Please reach out to your child's teachers or counselor if you have any questions.

On Wednesday night, our American Sign Language club students hosted the first ever **American Sign Language for First Responders Night** and it was absolutely amazing! Our students ran the entire program, which included teaching Firefighters, EMT workers, and Police Officers the basics of American Sign Language. What started out as a small group of participants turned into over 100 guests from all across the state of New Jersey, as well as guests from New York City, Rockland & Westchester counties! We are looking to continue the tradition of the great event for years to come! A very special thank you to our ASL Teacher, Mrs. Shannon Rodenberg, for putting this night together. A phenomenal job by all and we are very proud of all our students!

Our MS Guidance Counselors did presentations this week on various topics including making good decisions, social media, and other guidance-related information. Thank you to Mrs. O'Hagan and Mrs. Gesell for putting these workshops together.

We also had **Career Day** for our 8th grade students, who participated as part of the HS' program. They had the opportunity to listen to a panel of professionals about various careers. The 7th grade students started to work on details for their Camping trip and our 6th grade students had an opportunity to begin a lesson using mindfulness and meditation exercises, which was led by our High School students!

When we return from the break, on Thursday (4/25) and Friday (4/26), the MS will begin our NJSLA State Testing. All of our Junior Aviators will take the Language Arts assessments on these two days. The following week will be NJSLA Mathematics (schedule has been disseminated). At the end of the month, Mr. Mastro will be performing for the 6th and 7th grade students as part of our Read Across America contest. I hope that the kids are ready for a performance of a lifetime!!!

Have a wonderful Spring Break and, as always, thank you for all your support!!!

Have a wonderful Spring Break!
