Pictures from our 7th annual Junior Aviator Spelling Bee

Junior Aviator Parents & Guardians,

Last night, we had our 7th Annual Junior Aviator Spelling Bee hosted by our Junior Beta Club. Congratulations to all of our contestants that qualified for this outstanding event. Our first place winner, Josephine Kim, will compete in the North Jersey Spelling Bee in March with an opportunity to compete in Washington D.C. A special thank you to Mr. Muska and Ms. Coffey for putting together this wonderful event. We are also having our third annual Junior Aviator Video Game Night tonight.

Today is the final day of the 2nd Marking Period. Starting on Monday, January 28th, we will begin the third marking period, and students will report to their Semester 2 courses on their schedule. In the example below, students should now report to Theater class instead of Music class for the second half of the school year.

- ♦ Music 6 S1 R 12:54 PM 1:45 PM BAND Room Gierut
- ♦ Theater 6 S2 R 12:54 PM 1:45 PM 402 Jacobs

Also, in order to officially conclude the 2nd Marking Period, we will have another Wellness Weekend starting on Friday, January 25th to Monday, January 28th. There will be no homework over the weekend with no assessments on Monday.

Have a great Wellness Weekend,

Joseph Mastropietro
