- 4/5 - *Make-ups*

Junior Aviator Parents & Guardians,

March is officially in the books and next week is the final week of the 3rd Marking Period! Quarterlies for MP 3 will take place next week (see schedule on the left side).

This week, we had Junior Aviators from our **Peer to Peer Club** visit the elementary schools to speak with the 5th grade students. Our students discussed some basic information about the middle school. Thank you to Mr. Colangelo and Mr. Sickels for allowing us to spend time with the Leopards and the Eagles this week. We are looking forward to having the students join our middle school family in September as Junior Aviators!

Please mark your calendars for next Wednesday and Thursday as our High School Drama Club will be performing the **Wizard of Oz!** We also have twelve of our Middle School students in supporting roles in the play.

I am very excited to announce that today, we had our drawing for the **"I Got Caught Reading"** contest. More importantly, we collected a little over 1,000 raffle tickets that were earned by students who were "caught reading" during the month of March! The winning raffle ticket was chosen by last year's winner. This year's winner will have the opportunity to decide what song and dance Mr. Mastro is going to perform at an assembly in front of the entire grade level.

**Have a wonderful weekend!**

*Joseph Mastropietro*
