Junior Aviator Parents/Guardians,

We have officially reached the midpoint of the 3rd Marking Period. Please view your child's grades in Genesis to check their status and monitor their progress thus far. If you have any questions, please reach out to the teachers and/or guidance counselors.

We had our *Pops Concert* on Wednesday night. What an amazing night! The hard work and dedication of our students and staff members truly paid off. It was entertaining and inspiring to be a part of! I want to say **THANK YOU** to Ms. Moroney, Ms. Gierut, and Mr. Ascolese for their passion and dedication to our kids. It was evident on Wednesday night and our students are so lucky to have you!

We are one week into the "*I Got Caught Reading*" contest, which takes place during the entire month of March. The rules are quite simple: each time a student is caught reading, they will receive a raffle ticket from a teacher. On March 29th, we will pull a winning ticket and the winner will get to decide if Mr. Mastropietro sings or dances to any song of their choice! The more times a student is caught reading, the better the chance they have of being this lucky student! It's amazing to see how many students "get caught reading" during the month of March.

Reminder: Don't forget that today is the final day to donate to the American Heart Association as part of our Hoops for Heart event. Please help to support this great cause!

Have a wonderful weekend!
