- 4/12 - Single Session Day
- 4/15-4/19 - Spring Recess

March Big Idea: **Individuality**

Individuality means discovering who you are meant to be so you can make a difference.

Animal: **Okapi** The okapi is a unique animal that looks like a cross between a giraffe and a zebra. Scientists have had a difficult time studying these unique rainforest dwellers because they are very shy and live in hard to reach areas. They tend to want to spend time alone, not in pairs or groups, which makes them perfect examples of individuality!

Color: **Orange**

Weekly Buzzword - habitat (noun) The natural home or environment where a plant or animal naturally lives and grows.

Student Council fundraiser, Pennies For Patients, will run from 3/25-4/12. Collection boxes will be going home Monday to collect spare change to benefit the Leukemia & Lymphoma Society for Children. We were a top fundraising school last year, raising over a \$1,000. We hope to raise the same amount or surpass it this year. Collection boxes will also be placed in each classroom.
