COMMUNICATION

Hasbrouck Heights Middle School staff recognizes that students in grades 6-8 are faced with various developmental, academic, physical, and social changes in their lives. In order to best provide a collaborative approach to assisting our students in becoming self-sufficient, independent learners, we believe that effective and frequent communication between home and school is a necessity. We ask that you please contact your child's teacher as a first means to resolve any issue that may occur. Guidance Counselors and members of our Child Study Team are also available as an initial contact for any issues that may arise. Parents will receive ongoing communication from the school through the following procedures:

- **Daily Homework Posting**
All HHMS classroom teachers will post all homework, test, and project due dates on Genesis.
- **Official Staff Email Accounts**
All HHMS staff members have an official email account ending in "@hhschools.org." Teachers are encouraged to respond to all emails in a timely manner. A complete list of staff email addresses is in this handbook and on the district website.
- **Telephone**
Please contact all HHMS staff members by calling the **Middle School Office at 201-393-8170**. HHMS staff members are encouraged to respond to all phone calls in a timely manner.
- **Google Classroom**
Parents should work closely with their child to monitor their Google Classrooms that have been set up for each class. Quite often, the most pertinent and timely information about upcoming assignments and assessments is communicated directly through Google Classroom.
- **Back to School Night**
Each fall, the Middle School invites parents to spend an evening at the school. The MS faculty will present an overview of their instructional programs including classroom rules and procedures. Parents are encouraged to participate in the evening's activities in order to best familiarize themselves with their child's daily routine. Middle School Back to School Night will be on **Thursday, September 20th, 2018**.

HASBROUCK HEIGHTS MIDDLE SCHOOL

Student/Parent Handbook

- **Middle School Parent Night**

- **Live Grades**
All HHMS parents and guardians have access to live grades online, via Genesis. When a student receives a grade below a 65, an email is sent to the parent, guardian, and student. Getting Messages to Students during the School Day

In order to maintain a safe, orderly, and productive school environment, the office staff will strive to minimize classroom interruptions.

1. Students are permitted to use the office telephone only in the event of an emergency (Forgetting homework does not constitute an emergency).
2. Students are responsible for checking in at the office to collect “dropped off” items.
3. Classrooms will not be interrupted to summon individual students to the office to collect items “forgotten” at home and delivered to school.
4. Parents should refrain from texting/calling students on their cell phones during the school day. **Students will be disciplined according to the Code of Conduct, regardless of whether the communication is with a parent or guardian.**

Attendance

All students are expected to make attendance in school a top priority. The teachers, administrators, and staff recognize their responsibility to provide a thorough and efficient education to all students. **Therefore, it is critical that every student and parent/guardian accepts responsibility for attendance at school, as required by state law.** Excellent attendance will positively impact student achievement!

Absences

If a student will be absent from school, it is the responsibility of the student’s parent/guardian to notify the school. The process for notifying the school of the student’s absence should be followed as outlined below:

1. **The parent/guardian should call Mrs. Lisa Mason in the Middle School Office at (201) 393- 8170, no later than 8:30am (notification after 8:45am will be considered truant). If there is no answer, please leave a message on the voicemail system.**
2. The information provided should include the student’s name, grade, and a callback phone number to reach the parent/ guardian. It is our top priority to ensure the safety of our students at all times. **PLEASE BE SURE TO CALL IN ALL ABSENCES!**

Students that are absent from school for any reason are responsible for the completion of assignments missed during their absence. A student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence, provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences from school or from a class, excused or unexcused, deprives the student of the educational and classroom experiences deemed essential to learning. Excessive absences may result in retention at grade level or loss of credit/ removal from a course, in accordance with policies of the Board of Education. According to BOE policy, a

student who accrues more than 15 Absences may be in danger of losing credit for their course. After 10 absences, an Action Plan will be implemented. Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

Unexcused absences from school or from class within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with the maintenance of good order and the continuity of classroom instruction. Such absences may result in the removal from a class or course of study.

Tardiness

We believe that punctuality is an important element of school attendance. Pupils who are late to school or late to class miss essential portions of the instructional program and create disruptions in the academic process for themselves and the other students.

Tardiness to school or class that is caused by a student's illness, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.

A student who develops a pattern of tardiness, excused or unexcused, will be offered counseling with an appropriate staff member to determine the cause of the tardiness.

Late to School:

Any student who reports to school after 7:55am must report to the Visitor Monitor located at the Middle School entrance on Paterson Avenue. The student must sign in and receive two late passes from the Hall Monitor. One of the passes should be immediately given to the Main Office and the other should be given to the classroom teacher for admittance to his/her class.

Late to Class:

Lateness to class is excused only when a student has a pass from a staff member when arriving in class. If a student is less than three minutes late to class, the teacher has the authority to address the "time lost" as they see fit. If a student is late to class two times for more than three minutes, it will be considered a "cut" and disciplinary action will be taken.

HASBROUCK HEIGHTS MIDDLE SCHOOL

Student/Parent Handbook

Discipline Issued for Tardies:

Students are considered late if they have not arrived in Period 1 by 7:55am. In accordance with Board policy, students who are tardy will be subject to disciplinary action as outlined below:

1-3 Tardies:	Excused
4-7 Tardies:	Central Detention
Over 8 Tardies:	Saturday School Detention; held in High School Media Center on Saturdays from 8:00am-11:00am
10 Tardies:	Action Plan to be implemented
More than 15 Tardies:	Potential loss of course credit

Fire Drills

Fire drills will be conducted at least one time each month during the school year. At the sound of the fire alarm, all students are to exit the building according to the directions posted in each classroom, or at the direction of the teacher/staff member in charge. Students are to conduct themselves in an orderly and silent fashion; misconduct of any kind while leaving or returning to the building is forbidden. Disciplinary action will be taken to any student in violation.

Lock Down Drills

Lock-Down Drills are conducted once each month and are designed to secure the school buildings efficiently and effectively. Students will be given clear directions by their classroom teacher regarding the procedures at the start of the school year. Students are expected to cooperate with all of the rules and procedures outlined by the classroom teacher.

Shelter-In-Place

Shelter-In-Place drills are designed to restrict movement throughout the school building for any particular reason. Most often, this type of drill is called when there is a medical emergency within the school building. No visitors to the school building will be permitted during a Shelter-In-Place.

Backpacks

Middle School students are not permitted to carry their backpacks throughout the building during the school day. Students may bring a backpack with them to school; however, it must be kept inside of their locker for the duration of the school day. At the end of the school day, students may utilize their backpack to transport their belongings home. In order to exchange materials at their locker during the school day, the teachers at each grade level will provide designated times for students to visit their lockers. This creates a more structured environment for our students and staff, as well as promotes the necessary organizational skills needed to be successful in middle school.

HASBROUCK HEIGHTS MIDDLE SCHOOL

Student/Parent Handbook

Cell Phones

Cell phones are not permitted at the middle school. Students may bring a cell phone to school with them, however, the phone must be housed inside of their school locker. Phones should be turned off or silenced during the school day. Students who are caught with their cell phone during the school day will be disciplined according to the Code of Conduct. For more information on the middle school code of conduct, please click here: [Code of Conduct](#)

Dress Code

Student attire that is worn to school is expected to be neat and clean. Any clothing that is transparent, distracting, or disruptive to the school environment will not be permitted. Clothing shall cover the torso and shorts/skirts should extend to the mid-thigh of the legs. Visible undergarments and flip-flops are not permitted. For more specific information on student dress code, please click on the following link: [Dress Code Regulation](#)

School Lockers

Lockers are designed only for the storage of books, backpacks, school supplies, and outerwear. All students are urged to take proper precaution with their possessions. Make sure lockers are closed and locked at all times. **Only school-issued locks will be used on lockers at Hasbrouck Heights Middle School.** Personal belongings should not be left where others may have the opportunity to take them. Please keep the lockers clean and free from odor-causing items. Students who tamper with other students' lockers will be subject to disciplinary action. Locker inspections will occur during the school year.

The Hasbrouck Heights School District respects student privacy and provides students with the use of a locker in which they may store clothing, school materials, and other personal property. Although each student is responsible for maintaining the locker assigned to him/her, all lockers are and shall remain the property of the school district. Students may not use multiple lockers for storage.

Lockers may not be used as a depository for substances or objects which are illegal or which constitute a threat to the health, safety, and welfare of the occupants of the school buildings.

Cafeteria/Lunchroom

Lunch period is an opportunity to relax and interact with friends. Students are expected to clean up after themselves, behave appropriately, and follow the directions of the teachers and administrators in charge. Trash barrels are available to deposit trash. There are also containers specifically designated for recycling, and all are encouraged to help with the school's effort in this regard. Leaving trash on the table or throwing trash on the floor is unacceptable. Students who display inappropriate behavior during lunch or who do not clean up after themselves may have restricted lunchroom access as a consequence.

HASBROUCK HEIGHTS MIDDLE SCHOOL

Student/Parent Handbook

Hallway Behavior

Students are expected to keep to the right while traveling in the hallways, keep voices low, and keep moving to your next classroom. It is important not to gather with friends or stop to talk during the passing of classes. Loitering could result in lateness to class. Students are not permitted to enter classrooms without a teacher present. Students must wait outside and line up along the lockers until the teacher arrives and/or permits student entrance.

Gum Chewing

Careless disposal of gum in drinking fountains, furniture, and floors presents sanitation and cleaning problems with costly repair. **Therefore, gum chewing is not permitted.**

Assemblies & Performances

Students are expected to:

- Enter and exit in a quiet and orderly manner.
- No talking or physical contact during the performance.
- Remain in your seat for the duration of the program, unless you have permission from a staff members. If a student must enter/exit, do so only between selections, not during a performance.
- Treat the speakers in a respectful manner and offer appropriate applause.

Academic Integrity

One of our main goals each school year is to provide an atmosphere where academic honesty is valued. Students who engage in cheating and plagiarism are using someone else's work, claiming it as their own, for their own benefit. Cheating is defined as both giving and receiving information for the purpose of improving grades on a quiz, test, essay, research paper, or homework. Plagiarism is also considered cheating. A student who plagiarizes someone else's work will be disciplined according to BOE policy.

Grading Scale

The Middle & High School will use the following grading scale:

A+	97-100
A	93-96
A-	90-92
B+	87-89
B	83-86
B-	80-82

Homework

Homework will be assigned on a regular basis, with the goal being to practice skills and reinforce concepts learned while in class. It is the responsibility of the student to make homework a priority, so that academic progress can be made.

If a student is absent for any reason, they must make up assignments, class work, and tests within a reasonable length of time. It is the responsibility of the student to obtain makeup assignments. Students excused for field trips, concerts, competitions, etc., must decide with their teacher to make up the work missed prior to the absence from class.

When a student does not complete work that was missed due to an absence, he/she will receive a failure for that assignment

Homework will be graded based on the following system:

- 100 percent for completion or good effort;
- 75 percent for partial or average effort;
- 50 percent for an attempt, but not enough of the assignment is good to show that the student made a sincere effort for completions;
- 0 for no homework or nearly no homework
- **Teachers may grade one homework assignment per week based on accuracy. Students will be given prior notice to any graded assignment. Homework will not be scored lower than a 55.**
- For any subject in which no daily homework is traditionally assigned, class participation will be given a weight of 20%.

Extra Help

If a student requires extra help in a particular subject area, each teacher has at least one designated time for extra help each week. The Extra Help schedule will be disseminated to all students and parents at the start of each school year. The High School National Honor Society is also available every week on Tuesdays, Wednesdays, and Thursdays throughout the school year to assist any middle school students with academic work.

Junior Aviator Character MVP Program

In an effort to promote positive interactions within the school, as well as good moral character, Hasbrouck Heights Middle School utilizes the **Junior Aviator Character MVP program**. MVP Cards are issued to students by a staff member when the student is caught in the act of “doing something good”. These cards are signed by the staff member and a middle school administrator before it is sent home to be celebrated by the student’s family! Once a student earns an MVP card, they are automatically invited to Junior Aviator Night, which is a fun-filled night held at the middle school where students can enjoy a variety of different activities with their classmates and peers.

Heroes & Cool Kids Program

Heroes & Cool Kids is a program designed to teach important life skills related to Character Education. Professional athletes work collaboratively with school guidance counselors to train high school athletes to serve as mentors to middle school students. These high school leaders will then provide guidance to our 6th grade students during their transition to middle school. Topics discussed with students include, but are not limited to: being a good friend, making healthy choices, being an active participant in the school community, bullying, violence, and substance abuse prevention.

Sidekicks Program

Sidekicks is a program designed to build positive and healthy relationships between middle school students and elementary school students. Eighth graders will be selected leaders, who will be trained in providing lessons in Character Education to both Euclid and Lincoln school students. General life skills and topics such as peer pressure, good manners, respect for others, and conflict resolution are among some of themes discussed in this program.
