

HASBROUCK HEIGHTS JUNIOR AVIATORS

July 1st, 2022

Junior Aviator Families!

I hope that everyone is having a great summer so far! I will be in touch throughout the summer so please check your email from time to time and don't ever hesitate to reach out to me if you have any questions.

1) **SUMMER READING**- All Middle School students are expected to read one book and complete one assignment over the summer. As you know, reading is super important and will help keep your skills sharp as you relax and enjoy your summer break! Of course, we encourage you to read more than one book, but only one is required for the start of school in September. Please do not wait until the last minute to get your Summer Reading done, or you will be singing "**Should've Known Better!**"

Click Here: https://m.youtube.com/watch?v=4WwXNZn_3w0

2) **SUPPLY LIST**- Please do your best to have all the materials listed for the start of school in September. ***Important*** - Incoming 6th grade students, you will not be getting your locker on the first day of school so you **do not** have to bring all of your supplies with you on the first day. The Supply List is attached for everyone to see.

3) **6th GRADE PARENT ORIENTATION (and NEW PARENTS to HHMS in Gr. 7 & 8!) -**

Parent Orientation is scheduled for Wednesday, August 31st at 7:00pm in the Auditorium. More details to follow but make sure to pencil this date in your calendar. The orientation will help put your mind at ease as to the expectations and procedures at HHMS!

4) **District Calendar**- The 2022-2023 District Calendar is attached to this email. The First Day of School for students is Wednesday, September 7th (single-session day).

5) **Student Schedules** will be available during the last week of August. Once the schedules are available in Genesis, you will need to acknowledge some very important forms electronically. I will also be sharing other **important dates** over the course of the summer (Back-to-School Night, Trips, MS Events, etc.).

Since Mr. Mastro loves his '80's (incoming 6th graders will figure this out very soon!), I will leave you with some more classics from Richard Marx—> Enjoy the "**Endless Summer Nights!**" — https://m.youtube.com/watch?v=l_8L86kiQ2Q and if you every have a question or need anything, I will be "**Right Here Waiting for You!**" — <https://m.youtube.com/watch?v=lyGQD1cH4xl>

Now that I am all out of Richard Marx songs, ENJOY YOUR SUMMER!

♦ Mr. Mastropietro

HEIGHTS: Where tradition and innovation take flight!
