Dear Junior Aviator Family,

It was another successful week at the Middle School!!! I would like to thank Mrs. Christianson, Mr. D'Amico and our Middle School Staff for setting up our Character Education Day on Wednesday, for all 6th and 7th grade students, which was a huge success! Our students and staff had an amazing time interacting in each of our activities and it was a special day for everyone involved! Students also really enjoyed the guest speaker, David Harell.

Also, a special thank you to Mr. Barchini, along with the HS and MS staff, for making the PSAT a huge success in grades 8-11. We are excited that our Junior Aviators got to experience the PSAT assessment. We will distribute and explain the scores when they are made available.

Finally, we have just reached the midpoint of marking period 1. Please check your grades and reach out to your teachers and guidance counselors if you have any questions.
