Junior Aviator Parents & Guardians,

We've had a very productive first two days of Quarterly Exams. The kids are doing a great job on their assessments and are excited to begin the 2nd half of the school year!

Remember that the Marking Period ends on Friday, January 25th. Starting on Monday, January 28th, students will report to their Semester 2 courses on their schedule. In the example below, students should now report to *Theater* class instead of *Music* class for the second half of the school year.

- ♦ **Music 6 S1 R 12:54 PM 1:45 PM BAND Room Gierut, Antoinette**
- ♦ **Theater 6 S2 R 12:54 PM 1:45 PM 402 Jacobs, Paula**

Also, in order to officially conclude the 2nd Marking Period, we will have another Wellness Weekend starting on Friday, January 25th to Monday, January 28th. There will be no homework over the weekend with no assessments on Monday.

Next week's Quarterly Schedule:

January 21st - No School for Students
January 22nd - Period 3 and 5
