

# Loops For Love

The Middle School Student Council is asking for yarn donations for Loops For Love, a committee of women dedicated to knit and crochet blankets, scarves, jackets, and more for kids and families across the globe who are battling their illnesses. We are asking for **yarn donations. The preferred yarn is called "Red Heart". We will also accept money, gift cards, and/or coupons for Michaels or A C Moore.** Donations will be happily collected throughout the month of May, and may be dropped off at the Middle School Office, Mr. Mastro's office, or room 401 where our labeled boxes are located. Hats were recently crocheted/knitted for cancer patients. Also, wheelchair blankets were donated and 100 baby/children blankets as well were given out at Hackensack hospital. Thank you for your support. Any questions, or need more information, please feel free to speak to Mrs. Kim Caputo at [caputok@hhschools.org](mailto:caputok@hhschools.org).

Sincerely,

The Middle School Student  
Council
