

## Grade 1 Poetry

Read the following passage and answer questions 1 through 5.

### Funny Monkeys

- 1 One little monkey with nothing to do  
She sees another monkey  
Now there are two.
- 2 Two silly monkeys play in a tall tree  
They see another monkey  
Now there are three.
- 3 Three happy monkeys begin to explore  
They see another monkey  
Now there are four.
- 4 Four hungry monkeys see honey in a hive  
They see another monkey  
Now there are five.
- 5 Five playful monkeys watch bees do tricks  
They see another monkey  
Now there are six.
- 6 Six tired monkeys rest at eleven  
They see another monkey  
Now there are seven.
- 7 Seven funny monkeys roller skate  
They see another monkey  
Now there are eight.
- 8 Eight playful monkeys feel just fine  
They see another monkey  
Now there are nine.

9 Nine furry monkeys act silly again  
They see another monkey  
Now there are ten.

10 Ten little monkeys go to the zoo  
They want to see their friend  
And the friend is YOU!
