

Little League Newsletter

Volume 1 January 15th 2019

Hasbrouck Heights Little League

is a 100% volunteer organization with its **guiding principle to teach boys and girls the wonderful games of baseball and softball**. In an effort to keep everyone up to date on what is happening, the HHLL Board will be sending out multiple newsletters throughout the season. We are going to start our drafts during the final week of February. Practices for the older players will begin during the second week of March. If you have a younger child, practice will be in late March. We have secured both Lincoln and Euclid School gyms for most nights from 6:30 to 9:15 from March 8th till April 11th. We will also have the HS/MS gyms several nights during the week starting on March 8th. This will guarantee that all teams will have multiple practices before the year begins. We are looking forward for another successful Baseball Season.
