Dear Parents/Guardians,

Kindergarten will be taking a progressional step forward within Phase Three of our Hybrid Model. Beginning on Monday, November 9, 2020, all Kindergarten Families will have the opportunity to send their children to school following a single-session day schedule, which will match the schedule(s) of grades 1-5. I would like to *personally* thank you all for your cooperation and support throughout the AM/PM session schedule.

Kindergarten expectations for Phase Three (3) updated

Attend school for in-person learning following a **single-session day schedule (8:20 a.m. - 12:30 p.m.)**, Monday through Friday, beginning on Monday, November 9, 2020.

- Drop-off begins at 8:00 a.m. for Kindergarten in the playground.
- Pick-up procedures will remain in the playground. Pickup begins promptly at 12:30 p.m.

100% Virtual Students expectations for Phase Three (3) updated - *Asynchronous* remote learning will now take place, Monday through Friday.

- Students will log onto a *Google Meet* starting at 8:20 a.m. for attendance, character education morning announcements, and support with the day's assignments.
- Students are also required to attend an afternoon Google Meet for attendance and support with the day's activities. These times will be scheduled by your child's Kindergarten homeroom teacher and may be taught by any of the Kindergarten Teachers.

IMPORTANT REMINDERS

- In the event of inclement weather, Kindergarten students will enter the building through the gym doors on Passaic Street.
- Masks with ear loops will be required for all students to be admitted to the building. The same masks are to be worn throughout the day.
- All parents/guardians are required to wear masks on school property during drop-off and pick-up.
- Please send in a nutritious snack (only if you are comfortable). Our clear classroom dividers will provide a safe environment for students to eat their snack(s).
- At this time, we will not be able to hold any birthday celebrations in school for students in grades K-2.

Feel free to contact me with any questions or concerns. If your child is currently learning remotely and you would like them to attend in-person learning, please email me at your earliest convenience. If your child is currently attending school and you have questions about this progressional step to single-session days, please also email me at your earliest convenience.

Kind regards,

Michael A. Sickels
