March Big Idea: **Individuality**

Individuality means discovering who you are meant to be so you can make a difference.

Animal: **Okapi** The okapi is a unique animal that looks like a cross between a giraffe and a zebra. Scientists have had a difficult time studying these unique rainforest dwellers because they are very shy and live in hard to reach areas. They tend to want to spend time alone, not in pairs or groups, which makes them perfect examples of individuality!

Color: **Orange**

Weekly Buzzword - reservoir (noun) A large natural or artificial lake used as a source of water supply.

I would like to **THANK** Betty Chiu and her Dream Team for an amazing Read Across America Week. Read-A-Latte, Community Readers, High School Student Readers, Book Buddies, and to top it all off...a visit from Dan Gutman.
