

Dear Parents/Guardians,

Your child is eligible to participate in the **Instrumental Music Program** next year as a 4th grade student. In order to participate in this full-year program, you will need to procure an instrument for your child. The instruments taught in school are **flute, clarinet, alto saxophone, trumpet, trombone, baritone horn** and **percussion**. I have included a YouTube video link for you to watch with your child to help them choose an instrument for Fall 2024. They have also viewed this video in Ms. Kastner's music class. Your child should be encouraged to choose the instrument they like the sound of the best.

Although there are many other options, the majority of the students in the Hasbrouck Heights School District rent their instruments from **Music and Arts** on Route 17 in Paramus. The rental may be done in person or online at [www.musicarts.com](http://www.musicarts.com).

By now you should have received an email from the Hasbrouck Heights School District with information about our Summer Music Program. Many of our students get a "head start" by taking advantage of this program!

If possible, please let me know if you think your child may be interested in this program by the end of the school year. If your child is planning to participate in this program, please fill out the google form below.

We use "Standard of Excellence, Book 1" by Bruce Pearson/KJOS and you will need to purchase that book by checking off the appropriate box online with the rental company, picking up the book at any local music store, or on Amazon.

If you have any questions, please do not hesitate to contact me.

Sincerely,  
Carron Moroney
