PREK MANDATED FLU VACCINE

Dear Parents/Guardians;

Please be advised that New Jersey mandates all Pre-K students (3&4 year olds) attending any preschool facility shall receive at least one dose of influenza vaccine between September 1 and December 31 of each year. (NJAC 8:57-4.19)

Please submit any documentation that your doctor has provided showing that your child received the flu vaccine for this flu season.

Children who do not receive the vaccine by December 31, 2012 will be excluded from school until the end of flu season, which is March 21st in New Jersey, or until they receive at least one dose of the influenza vaccine. (N.J.A.C. 8:57-4.19)

If you have any questions regarding the flu vaccine requirements, please visit the Immunization Requirements FAQ's online at: http://nj.gov/health/cd/documents/vaccine_qa.pdf. All other questions, please feel free to contact myself or the State Vaccine Preventable Disease Program at (609) 826-4860.

Thank you for your cooperation!
