Resolutions Approved

OPEN PUBLIC HEARING:

Mrs. Ferdinand read the following statement:

Residents are requested to state their names, addresses and subject matter. Issues raised by members of the public may or may not be responded to by the Board. All comments will be considered and a response will be forthcoming if and when appropriate. The Board asks that members of the public be courteous and mindful of the rights of other individuals when speaking. Specifically, comments regarding students and employees of the District are discouraged and will not be responded to by the Board. Students and employees have specific legal rights afforded by the laws of New Jersey. The Board bears no responsibility nor will it be liable for any comments made by members of the public. Members of the public should consider their comments in light of the legal rights of those affected or identified in their comments and be aware that they are legally responsible and liable for their comments.

Several comments were made regarding the AP/Honors Policy.

Dr. Helfant stated that for placement into AP class, tests scores is still a criteria. The honors criteria saw the most significant changes. There are menu options that will allow a student to place in the honors class if they don't meet the testing criteria.

Dr. Helfant responded to comments regarding voting in the school. The Attorney General's Office called us twice on June 7th regarding the presence of Class III officers at the schools. They were removed and our two security officers were moved down to the elementary schools. The mayor has reached out to the state to see if our voting locations can be changed. Next year, if remote instruction is an option, we will do that when the voting occurs.

Meeting adjourned at 8:17 p.m.

Moved by L. Cintron, seconded by L. Krommenhoek

All in favor

Respectfully submitted,

Dina Messery

School Business Administrator/Board Secretary
